“ We settled our feet in the hotel industry recently in 2017 and still, succeeded here in a short span of time. I have always been a Foodie and Business Enthusiast and that was one of the reasons to build my interests in the hospitality industry and create a benchmark for Mansha. I have always ensured personal involvement in operations and prioritised enhancing guest experience at Mansha. Our mission is to make Mansha hotels a trusted brand to the tourists and local guests keeping in mind they don't miss on luxury stay and authentic food at Andamans. ”

We enjoyed the experience in the hotel.  
The service quality and food was really good. Need to appreciate  
the cook for the delicious dal kichidi made for my 1 year baby.  
The breakfast and the aesthetics of the pool area can be improved  
a bit. Apart from that no regrets. A good place to stay.
